

HERA 2014 GRANTS APPLICATION

HERA provides grants of €50 – €1000 (average grant €500) to purchase needed equipment for young women's start up ventures or counter trafficking innovations. Grants up to €2000 are also provided to scale up women-owned ventures to generate further employment for young women. The objective of these grants is to promote women's entrepreneurship and employment so as to prevent dangerous migration and trafficking. If you qualify for this funding, please submit the application below on line to hera.grants@gmail.com by midnight, April 30, 2014.
